

Conference & Training Scholarship **APPLICATION**

Scholarship Application for Travel, Lodging, & Registration Fees

The Judicial Commission on Mental Health has a limited number of scholarships to award for travel, lodging, and/or registration fees to conferences or trainings that relate to the mission of the JCMH: to engage and empower court systems through collaboration, education, and leadership, thereby improving the lives of individuals with mental health needs, substance use disorders, or intellectual and developmental disabilities (IDD).

Please fully complete and sign this form before emailing it to jcmh@txcourts.gov with the subject line: "Conference & Training Scholarship Application". If approved, our planning team will follow up with additional instructions on how to obtain your reimbursement after the event.

Important: If approved, you are still responsible for registering for the event and booking your own travel and lodging. You will be asked to complete a reimbursement form after the training, so please go ahead and book any travel and hotel reservations if needed.
